## ***PUBLIC INFORMATION MEETING*** **WIDENING OF EXISTING ROUTE 395**

**San Bernardino County** – Caltrans is proposing a widening project on US-395 from the City of Hesperia to about two miles north of Bella Vista Drive. The project will improve the operational efficiency by widening the route from two to four lanes which will relieve congestion.

A public information meeting has been scheduled to provide information about the project and to receive public input. Caltrans would like to hear your thoughts on the project's purpose and need, alternatives being proposed, issues to be addressed in the Initial Study, and other project issues. The meeting information is as follows:

DATE	LOCATION	TIME
Thursday March 12, 2009	Mesa Linda Middle School 13001 Mesa Linda Avenue Gymnasium Victorville, CA 92392	6:00 p.m. to 8:00 p.m.

The meeting will be held in “open house” style format so you may attend at your convenience. Representatives from Caltrans will be available at the meeting to answer questions, show maps and exhibits, and provide informative handouts. We appreciate your participation and wish to consider all input as project decisions are made.
